2. CHARACTERISTIC SPIRIT AND GENERAL OBJECTIVES OF THE SCHOOL

St. Brigid's National School is a Catholic co-educational primary school with a Catholic ethos. The Bishop of Kildare & Leighlin is the Patron of this school.

'Catholic schools are communities which are open, welcoming and inclusive. Therefore, Catholic schools may include children who adhere to other religions or other stances for living. While mindful

of their duty to educate in the distinctive beliefs, values, and practices of the Catholic community, teachers will bear witness to an attitude of respect for and appreciation of all'.

'The Catholic Preschool & Primary Religious Education Curriculum p15'

Catholic Ethos' in the context of a Catholic primary school means the ethos and characteristic spirit of the Roman Catholic Church, which aims at promoting:

- the full and harmonious development of all aspects of the person of the pupil, including the intellectual, physical, cultural, moral and spiritual aspects; and
- a living relationship with God and with other people; and
- a philosophy of life inspired by belief in God and in the life, death and resurrection of Jesus; and the formation of the pupils in the Catholic faith,
- and which school provides religious education for the pupils in accordance with the doctrines, practices and traditions of the Roman Catholic Church, and/or such ethos and/or characteristic spirit as may be determined or interpreted from time to time by the Irish Episcopal Conference.

In accordance with S.15 (2) (b) of the Education Act, 1998 the Board of Management of St. Brigid's National School, shall uphold, and be accountable to the patron for so upholding, the characteristic spirit of the school as determined by the cultural, educational, moral, religious, social, linguistic and spiritual values and traditions which inform and are characteristic of the objectives and conduct of the school.

Mission Statement

St. Brigid's National School, Ticknevin, is a national school under the patronage of the Catholic Bishop of Kildare and Leighlin, for the education of children in Ticknevin and surrounding areas. It celebrates the uniqueness of each child as expressed in each child's personality, intelligence and potential for development. The school seeks to nurture the child in all dimensions of his or her life – spiritual, moral, emotional, cognitive, imaginative, aesthetic, social and physical.

St. Brigid's National School seeks to be a warm, welcoming place, respectful and accommodating of the diversity in race, culture, religion, gender and ability. We recognise the dignity and value of each person made in the image and likeness of God. We strive to provide an inclusive environment responsive to the needs of all. We aim to promote equity in all areas and to strive to provide extra support for any child with a learning disability or difficulty.

Our curriculum aims to enable each child:

- To live a full life as a child and to realise his or her potential as a unique individual.
- To develop as a social being, through living and co-operating with others and so contribute to the good of society.
- To prepare for further education and life-long learning.

We aim to provide quality learning experiences that are engaging, enriching and stimulating through a broad, balanced and relevant curriculum. Pupils do their best, respecting others and the school environment. The Principal and teachers continue to make the school a centre in which high professional standards are maintained. Whole school policy development in curricular,

administrative, organisational and pastoral areas will be central. This will involve regular reviews of policy and practice. Teachers lead the learning experience through good classroom management, the positive application of rules and the encouragement of each child to respect and follow the school's Code of Behaviour.

All school partners will strive to ensure a happy and safe learning environment exists for our pupils. The pupils will be guided to an awareness and concern for our environment. The Green School Programme will be fostered through the school's Green School Committee and the promotion of our Green Code.

The school views itself as an integral part of the parish and in partnership with parents seeks to nurture the Catholic faith through religious education, preparation for the Sacraments and through the ethos of the school. Religious education is provided for the pupils in accordance with the doctrine and tradition of the Catholic Church. Prayer is a feature of the school day and pupils are given opportunities to participate in liturgical celebrations arranged by the school.

We value most highly our relationship with parents and the local community and seek to continue to work with all school partners in our mission. We strive to foster a sense of community between management, teachers, parents and pupils and a sense of belonging with the wider community.

The school is a learning community. We promote and value lifelong learning for all. We urge all the school partners to work together, in good faith, to reinforce the shared values of home and school.
