Speaking to the class teacher

Please remember that class teachers are very busy and their primary concern is teaching during class time. If you wish to speak to the class teacher you are most welcome to do so by making an appointment for an appropriate time. Please do not delay the teacher from getting to his/her class in the morning or during the day. Your co-operation in this matter is beneficial for all children.

School Office Hours

Please note school office hours are 9:15am - 12:15pm Monday - Wednesday. If you wish to make an appointment contact the school secretary during the above times.

Please note the surface beside the school shed is very slippery on frosty mornings. We advise all children to stay off the surface on frosty mornings before school. The teachers will ensure children stay off the surface during break times on such days.
